

INTERLINK SPEAKERS BUREAU
*INTRODUCING STUDENTS AND EDUCATORS
TO A WORLD OF POSSIBILITIES*

North Central Texas InterLink, Inc.

Since 1987, InterLink has been building a bridge between business and education. InterLink provides industry driven regional labor market information to secondary and post secondary education institutions to assist them in developing career and technical programs that will graduate students with high level skills and knowledge to prepare them for careers in the dynamic North Texas workforce. The InterLink Speakers Bureau is a way to inform teachers and students of the many exciting career opportunities available.

HOW VOLUNTEERS CONTRIBUTE

- Classroom presentations to students—daytime
- Career fairs—days or evenings
- Panel presentations to educators and students—daytime
- Keynote speakers at events—daytime

WHAT ARE THE RULES?

- Rule #1 for InterLink— We are a speakers bureau, that is all that we ask of you.
- Rule #2 for InterLink—Volunteers will be provided complete details about each event so that you make a commitment based upon thorough information (see below).
- Rule #1 for Volunteer—If you commit to be there please do so or get a substitute.

Note: When you volunteer, the school will have your contact information and may follow up with you in the future. It is your decision on whether to participate in future events at that school.

IDEAS FOR A SUCCESSFUL PRESENTATION
IDEAS FOR A SUCCESSFUL PRESENTATION

- Arrive at the destination a few minutes early—schools are large and it may take some time to get to your location
- Have a short printed bio of your career and interests for the person making your introduction
- If using a video set up the scenario: what they will see, the purpose of what you are showing and what it accomplishes.
 - Describe your industry
 - Describe your career pathway
 - Did someone influence you
 - Your education and how many years it took
 - Other jobs you have had and how they contributed to your success later in life
 - How you made your career choice (Planned? Serendipitous? By default? Etc.)
 - Describe what your work entails
 - What skills do you need
 - What type education is best
 - What technologies do you use
 - How do you dress
 - What are the tools of your trade
 - What hours do you work
 - Is the work physically or mentally challenging
 - Do you work outside, inside, both
 - What interaction do you have with others in your job
 - Do you continue learning—what and how
 - What do you think the future will be like in your industry
 - Bring some tools of your trade, especially for students
 - What you love about your job

DO I BRING GIMMES? IT IS ENTIRELY UP TO YOU.
